About

Pickleball is a racket or paddle sport in which two players or four players use a smooth-faced paddle to hit a perforated, hollow plastic ball over a 34-inch-high net until one side is unable to return the ball or commits a rule infraction. Pickleball is played indoors and outdoors.

Pickleball is fun, social and friendly! The rules are simple and the game is easy for beginners to learn, but can develop into a fast-paced, competitive game.
